Safety, Utility and Beauty. New England Trace Coupling Company. State Rights for Sale. WE are now exhibiting this desirable invention to the public. The Patent Trace Coupling is an ar-

take which needs only to be seen to be appreciated, and universally adopted. By this Coupling the Trace is attached to the whisfetree instantaneously, without soiling the hands—cannot be disconnected by accident is stronger and more durable than any other attachment now in use, and makes what is so desirable in a fine carriage, an excellent finish.

The Couplings are manufactured of different materials, from the common thush to the finest silver plate, and can be supplied at a lower cost than anything that is now used for that purpose, leaving a margin for an im-ments profit. Any person with a moderate capital can soon realize a fortune in its sale.

We are prepared to furnish the Couplings, of the inferent grades and costs, in quantities as desired, to those only who purchase state rights. The Couplings may be seen at the office of the Company, where a scale of prices may be obtained, and all communications must be addressed to "THE NEW ENGLAND TRACE COUPLING COMPANY," BASEMENT
